

Construction and Finish

1. The Bloc Series is available in both Powder Coated ASTM B-209 5052-H32 grade Aluminum and ASTM A1011 Carbon Steel options, as well as a Pre-Weathered ASTM A606 Type 4 Cor-Ten® Steel option.
2. Units are available in 5 standard sizes.
3. Powder Coated Planters are coated with an exterior grade polyester powder coat finish, available in standard stock and non-standard stock RAL colors. Marine grade finish can be provided for an upcharge per unit.
4. Corten Steel Planters are sold with Pre-Weathered finish.
5. Planters are manufactured with standard 1", 1.5", or 2" drain holes or no drain holes.

Powder Coat Colors

1. Standard F&F stock powder coat colors are offered in satin and matte finishes as noted.
2. Non-standard stock RAL colors and metallics are available and may require an additional up-charge per unit.
